FYP-II Timeline

Group # 5

Timeline

Week #	Task	
1	Requirement Gathering	
2	Data Collection	
3	Data Analysis	Feature Selection
4		Data Balancing
5	Function Formulations	Optimization Function Formulation
6		Fitness Function Formulation
7	Optimization Algorithm Implementation	Algorithm Designing
8		Implementation in Code
9	Demonstration App Development	UI Designing
10		Backend Development
11		Testing
12	Gather Real-time Data and Experiment	
13	Result Analysis	
14	Document Project
